assigned by the airport, as well as parking for support vehicles. Prior permission of the airport manager is required.

**d. Fuel flowage Fees.**

Aviation fuel delivered to aviation fuel storage facilities on the airport and dispensed for retail or personal use shall be subject to the following fuel flowage fee:

- (1) Fixed-base Operator - Nine cents (\$0.09) per gallon
- (2) Other signatory users - Eleven cents (\$0.11) per gallon

- e. Removal of wrecked or damaged aircraft in any movement area.** Disabled aircraft that cannot be taxied or towed from any movement area of the airport (runways and taxiways) shall be removed as expeditiously as possible. It shall be the responsibility of the aircraft operator to remove the disabled aircraft from the movement area. The staff of the airport or a company contracted by the airport may remove the disabled aircraft. The fee for such removal shall be no less than two hundred fifty dollars (\$250.00) for a single engine aircraft and five hundred dollars (\$500.00) for aircraft with more than one engine or the actual cost of removal, whichever is greater. The aircraft owner/operator is responsible for all damages incurred during the removal of the aircraft from any movement area by the Delaware River & Bay Authority (DRBA) and/or any agency under contract by the DRBA for aircraft removal.

**2. Vehicle Operations and Mass Vehicle Storage:**

- a. Vehicle storage in authorized areas.** Short-term parking, less than 72 hours, in public lots provided by the airport shall be free (limited space available).

- b. Long-term parking is defined as any vehicle parking for a period that extends over 72 hours.** Any person that intends to do so must receive prior permission from Airport Management and is subject to any fee and agreements as stated in a separate parking agreement with the DRBA. Failure to do so will be considered a violation of Section 3.06 of the Airport Rules and Regulations and the vehicle will be subject to towing at the owner's expense.
  
- c. Mass vehicle storage.** Certain portions of airport property may be made available for the parking of vehicles. The charge for vehicle storage shall be six (\$6.00) per car per day. This fee applies unless a separate parking contract is in place with DRBA.
  
- d. Reserved parking by signatory users.** Certain parking spaces in public lots may be reserved for the exclusive use of certain airport tenants if arranged by lease or other agreement with DRBA and this payment for such space is included in the lease or other agreement. Reserved parking spaces shall be clearly marked. The rate for a reserved/secured parking space shall be \$100.00 per month.
  
- e. Removal of wrecked, damaged, or abandoned vehicles from the airport,** Disabled or abandoned vehicles that cannot be moved under their own power shall be removed in accordance with the Delaware River & Bay Authority Police Department. The vehicle owner is responsible for any and all damages incurred during the removal of any wrecked, damaged, or abandoned vehicles from airport property by the Delaware River & Bay Authority (DRBA) and/or any agency under contract with the DRBA for vehicle removal. The charge for such removal shall be seventy-five dollars (\$75.00), or the actual cost of removal, whichever is higher, plus a twelve dollar (\$12.00) per car per day storage fee.
